Thank you, Michael!

I was my pleasure too. Sorry we didn't have more time to talk.

I look forward to following up with you and Roger on how we can build a strong water message for the WRP.

Amy Duffy suggested to explain it in their forthcoming survey for things that WRP should focus on in 2020 and beyond.

Hope you, yours, and Team EPA all have a safe, WONDERFUL Thanksgiving Holiday Celebration!~  
With best wishes, Jack
